WHY EXHIBIT WITH US? ~ 4x REASONS THAT SET THE HOSPITALITY SUPPLIERS EXPO APART

01
Equal Exposure ~ Every Time (layout above)
Our continuous "Ikea-style" path means every exhibitor gets the same foot traffic. No dead ends, no quiet corners. Every visitor walks past every stall. The path is curated into zones with attendee rest spaces and ample front facing areas to best show off your business.

02
South East Queensland FIRST!
This event is designed to connect **local cafes, restaurants, bars, clubs, hotels and accommodations venues** with quality **suppliers from South East Queensland**. Those who specialise in supplying quality products and services to hospitality businesses.

03
The LINK-UP App (HSE Custom Platform)
The Hospitality Suppliers Expo starts the conversation as soon as attendees arrives. When they choose to "Connect" with you, it triggers an instant intro email to both of you, including their name, business details, phone, email, and key contact. This means your follow-up is already underway, with the option to send catalogues, pricing, and offers right away.

04
Virtual Expo ~ Get FREE leads after the Expo!
Your stall lives on after the event closes. The virtual expo keeps your Business visible to Hospitality businesses who couldn't attend in person. Picking up the momentum of the Physical expo and content made at the expo to further promote you, your business and getting additional leads.

Vendor Site Inclusions & Terms

What's Included: Your HSE booth includes a clearly marked, carpeted site within your designated zone.

Additional Items (Sold Separately): Early Setup (Sunday 5th July, 7-9pm, $50), Electricity (10amp, vendor supplies 20m lead), tables, chairs, tablecloths. Must be booked and paid in advance. No day-of supply.

Display Requirements: Custom or 4m+ stalls must submit layout plans at booking so we can allocate optimal placement. All displays must maintain clear sightlines across the expo floor. Banners and large installations may only be positioned along the rear of your booth unless prior approval. Height restrictions apply to side walls – low barriers only between individual stalls to allow attendees and exhibitors' to see ahead as they move through the venue, encouraging networking between exhibitors' and creating an open, welcoming environment for all.

Trading Guidelines: Exhibitors' must operate exclusively within their allocated booth space. Selling, sampling, or promotional activity in the aisles or in front of other exhibitors' stalls is **strictly prohibited**. Vendors found in breach of this rule will be asked to close their site immediately. This policy ensures smooth traffic flow and equal opportunity for all exhibitors to engage with attendees while allowing peach and harmnony between exhibitors' (Report any breaches to organisers immediately).

Mandatory: $20M public/product liability insurance (digital proof pre-event, physical on day). All relevant licenses (Food Safety Supervisor, plus relevant food License for samples, RSA + liquor licences for liquor sampling,, etc.).

Liquor Sampling (if applicable): Vendors intending to sample liquor must provide digital proof of their current QLD liquor/wine license or permit prior to the event, and display the original license and RSA certificates at their booth throughout the expo. Sampling must remain within allocated booth space. Vendors without proper licensing will not be permitted to sample liquor products.
